

December 20th 2009 – RATMBC/AW Cycles – Wessex Cyclo Cross League Round 11

In snowy conditions TVS member Chris Long started the race strongly only to suffer a puncture half way round the 1st lap ending up close to last place & needing to jump on his spare bike and spend the rest of the race catching riders up and finally finishing in 30th place overall and top ten in the Vets category

December 26th 2009 – Wessex Cyclo Cross League Round 12

In the final Wessex league event TVS were well represented in the Under 12's race with Molly Long & Alex Wilson competing along with 1st time racer 5 year old Alex Long, Alex finished in an excellent 11th place against much older children – well done Alex – Molly & Luke also did well and finishing in 9th & 10th place

Chris Long could only manage 34th place in the senior race (too much Xmas dinner we think!!) – 34th place was also Chris's final league position out of over 150 riders which Chris was fairly pleased with considering some of the bad luck encountered with mechanical problems in a few of the races this season
