Wessex Cyclo Cross League – Hargroves Grand Prix Round 8

In really muddy & slippery conditions Molly Long & Luke Wilson battled round to complete the race but both had falls taking on tricky sections of the course

Chris Long didn't fare much better finishing way off the pace in the senior race which included National Cross Champion Jody Crawforth. Chris suffered with a puncture half way through the race losing a few places but the muddy conditions didn't suit him and he was glad to hear the bell for the final lap

Fingers crossed for some sunshine next week!!
